A MUST-ATTEND EVENT FOR SOCIAL INVESTORS AND ENTREPRENEURS

Private Sector Panel on MDGs and Africa: Niels Christiansen, Vice President Public Affairs, Nestlé; William Asiko, President, The Coca-Cola Africa Foundation; Bob Annibale, Global Director of Citi Microfinance and Community Development; Magali Bongrand, Founder, Instinct; Hepsy Mkhungo, Head of Transformation, SAB Ltd, hosted by Africa investor.

The Foundations Investor Roundtable on Social Entrepreneurship in Africa will take place on the eve of the World Economic Forum Africa. It is a one-day dynamic Summit, comprising panel discussions, a series of project presentations from corporates on their inclusive business models, foundations supporting entrepreneurship in Africa, social entrepreneurial projects and facilitated partnership broking, networking and one-on-one meetings on the fringes.

The Roundtable represents a unique knowledge platform for foundations from around the globe that support economic development in Africa and will host an interactive marketplace facilitated with partners from the United Nations to match inclusive business models with foundations and social entrepreneurs.

WHO SHOULD ATTEND

- Corporate Foundations
- International Foundations
- Development Foundations
- International Foundation Associations
- International Giving Councils/Associations
- Social Entrepreneurs
- Sukuma Entrepreneurs Alumni
- Government Officials
- Academics/Educators
- Entrepreneur Networks/Organisations

FACILITATING SOCIAL INVESTMENT

Bringing together social entrepreneurs, investors and CSR leaders to advance projects

Objectives of the event:

- Receive insights from presidents throughout Africa on their support of entrepreneurial initiatives.
- Provide a forum for the global ecosystem to explore new opportunities for social entrepreneurship in Africa.
- Broker relationships between young entrepreneurs and foundations.
- Create a catalyst for new entrepreneurs and microenterprises to evolve through facilitated networking and partnership broking.
- Offer a platform for corporate foundations to discuss their inclusive business models.
